14. Compliance with Development Review Committee and/or Departments of Development and Transportation and Drainage comments will be required prior to approval:

Acknowledgment

15. Acknowledgement:

I acknowledge that private deed restrictions or covenants may exist on the subject property. I recognize that neither the Planning Commission nor its staff may consider such deed restrictions or covenants, if any, when determining approval or denial of an application, nor can the City or Parish enforce private deed restrictions or covenants. It is my responsibility as an Applicant to determine if any such deed restrictions and covenants exist on the subject property, and to be aware that violations of the same subject me and/or Property Owner to litigation from others.

Public Hearing Items: I acknowledge that the Planning Commission makes the final decision on the approval or denial of this application. I also recognize I do not have a right to an approval, regardless of staff certification that the application meets ordinance requirements. A Public Hearing is required to be held and the Planning Commission will make the decision based upon all evidence presented at the meeting.

I understand that the application fee is nonrefundable. (Applications must be received by 10:00a.m. on the scheduled Application Deadline.)

Application must be signed by both applicant and property owner if different. Letter of authorization must be submitted in absence of the property owner's signature or where an authorized agent signs in lieu of either property owner or applicant.
